Tom,

I have a question for you related to the 2006 AOC for the South Dayton Dump - specifically, page 6 (attached here). We are wondering about the source of the first line that is highlighted from paragraph 15:

"Known hazardous substances were disposed at the Site between June 1973 and July 1976, including drums containing hazardous waste from nearby facilities."

Do you know the source of that statement? Please let me know if it would be easier for me to call and I will call you after you've had a chance to review.

Thank you,  
 Jen
